Senses Massage - Candles

- Body massage performed with the oil of a candle (balsam), whose low melting point allows the wax to be converted into a warm oil with a pleasant texture for a massage.
The combination of the heat stimulates the energy zones and the subtlety of the oil and aroma, becomes a pleasant awakening of the senses, helping to prevent body tension, eliminating stress and activating the lymphatic circulation.
- If you prefer, you can do a peeling beforehand!

Prices

Posterior Massage: 38€

Full Body Massage: 55€

Peeling + Full Body Massage: 70€
